

CREATING ACCESSIBILITY SHORTCUTS TO YOU

A GREAT WAY TO PARTNER & SHOW COMPASSION

Love is a much-needed emotion in today's world and paired with working partnerships it creates accessibility shortcuts. VSSN would like you to let us help you expand your reach, become better informants of resources and direct connectors in order to better serve with compassion, reduce barriers and save the lives of our veterans, military service members, their families and caregivers.

PARTNERING REFLECTS ON YOUR OWN INNER VALUES

We do more together and this is a direct reflection of our own inner values of "giving the best and nothing less". As a member or partner with VSSN, you will join in the efforts in connecting veteran, and/or military families with direct resources (service and products) to end or prevent homelessness, loss of life and hardship. These supportive resources can include housing, financial management, care for seen and invisible ailments, direct access to education, employment, business opportunities, as well as helpful tools and resources for daily living.

AN OPPORTUNITY TO GIVE SOMETHING BACK

Partnering is a wonderful opportunity to give back as well as find new relationships to expand your reach. When the community sees a united front working together it speaks volumes to those who have served us. It is also a sign that you have not forgotten and you and your business/organization is grateful for the service and sacrifice of our service members, veterans, and their families

HOW TO PARTNER

1. Join VSSN's VetReach and every other month you will benefit from making connections, being an informant & learning from industry specific professionals at a speed round-table mixer
2. You can reach over 18,000 local service connected families and caregivers at VSSN's 3 signature events
3. VSSN can connect you directly to over 200 nonprofit case managers where they can utilize you as a referral resource
4. VSSN can partner with you on YOUR upcoming event or campaign that targets the military and veteran community to help you meet your goals!
